To The Michigan Supreme Court:

Regarding the Court Rule No. 2003-47, I, Leonard S. Mucene, testify that my health has been compromised by the asbestos Industry as well as that of many of loyal coworkers; who have served in the industry with dignity.

I beg for my day in court. So Justice can be finally served. Let the right prevail. Please, do not compromise our Integrity and Dignity.

Sincerely,

Leonard S. Mucene (victim)
